

## CASH LEVY

The Seattle Post-Intelligencer called Cash

**“A major talent”** and told its readers  
**“Don’t miss this act!”**  
We just call him “Hilarious.”

If you missed Cash on **Fox Sports** or haven’t bought his newly released comedy CD, **TIDBITS**, you’re probably familiar with seeing his show on **Comedy Central’s Premium Blend**. Cash can also be heard daily on **XM Radio, Sirius Radio and has entertained on the Bob and Tom Show**.

When **Larry Gelbart** (creator of the hit TV series **M.A.S.H.**) saw Cash’s show at the **Hollywood Improv** Larry told him “I love your work” and a week later Cash was cast in the **ABC** pilot entitled **The Larry Gelbart Project**.

Cash has worked with such great acts as **Chris Rock, George Lopez, and Tim Allen**. He has been playing to sold out comedy clubs around the country for over 10 years and just finished a world tour for **U.S.A. Armed Forces Entertainment**.
